상명대학교
SANGMYUNG UNIVERSITY

국제언어문화교육원
INTERNATIONAL LANGUAGE AND CULTURE EDUCATION CENTER

Greetings from the President

To our dearest students who will begin a new era with fearsome intelligence and burning passion.

Sangmyung University has been cultivating an environment of harmony that is required by this era. Our charter is premised on creative, practical, and competent humanistic principles that are founded on truth, justice and love for the past 84 years.

In addition, our excellent teaching staff have made efforts to create new fields to study and conduct leading researches to fulfill the demands of this present era and society.

Globalization, strategic specialization and international standardization are becoming the main trends of the 21st century and becoming larger trends of this information era.

Sangmyung University has been reinventing itself to meet the needs of this 21st century.

All of our Sangmyung members pursue global community ideals encompassing the creation of a world of harmony, giving birth to a new Sangmyung that is full of dreams, passion and love to create the specialized university which would be suitable to this new era for students.

This endeavor includes change, love and pride for the new Sangmyung has begun.

We'll work hard towards providing the best education with a global vision and love so that our ambitious students can achieve goals and fulfill their dreams.

January 1, 2021

PRESIDENT OF SANGMYUNG UNIVERSITY

Baek Ehung Gi

About Sangmyung University

In 1937, Sangmyung University was established as Sangmyung Academy for higher education. Since then, it has developed into Sangmyung Women's College of Education in 1965 and Sangmyung Women's University in 1986. In 1996, Sangmyung University was expanded and reorganized as a coeducational university. The two main campuses of Sangmyung University are located in Seoul and Cheonan. As of October 2020, over 12,500 students are enrolled in different undergraduate and graduate programs and more than 1,420 foreign students are studying at Seoul and Cheonan Campuses with various scholarships.

2021-2022 교육국제화역량인증 대학

Accredited by the International Education Quality Assurance System(IEQAS)

Greetings from the Director

International Language and Culture Education Center(ILCEC) at Sangmyung University has been re-named from Korean Language and Culture Education Center(한국언어문화교육원) which was established in March, 2005. ILCEC has been making efforts to teach Korean language effectively to foreigners and overseas Koreans. Nowadays, there are high demands for Korean language programs for international students, as Korea is globalizing and playing an important role in the international market while spreading Korean culture worldwide. To keep pace with these changes, ILCEC has recognized the needs of the International students and has been applying various teaching methods to maximize learning efficiency. All the staff and faculty member of ILCEC prioritize the students and do their best to help students reach their goals.

Fulfill your dreams by studying Korean language in ILCEC at Sangmyung University.

January 1, 2021
